

Our Vision

NORDENIA HUNGARY Kft. is the **number one partner** in the consumer products industry, in the field of **high quality flexible packaging materials** in Central and Eastern Europe.

By providing **creative solutions** we aim at **consistently establishing our market position** beyond these borders as well.

The establishment and expansion of **partnerships** with **customers, colleagues** and **suppliers** are **ensured by team spirit** and **constant development at our company**.

These objectives are combined with our **active commitment** to assist the **development of the region** and **protect the environment**.
